

Pulse of Europe's XXL-Sunday

On June 10th 2018, Pulse of Europe hosts a **big European event** in Frankfurt, Germany. Pulse of Europe is a grassroots movement without any attachments to any political parties, stakeholders or confession, solely funded by donations. Together with you we will set up the event of the year, for the European idea of peace, freedom and diversity.

Thousands will participate in this full day event, among them common citizens, stars and dignitaries from all over Europe. The event begins in the **Paulskirche**, a prestigious and Germany's historic symbol for democracy and freedom of speech. Subsequently, the event continues on Frankfurt's main square Römerberg, opposite of Paulskirche, on a **big stage and several side venues**.

The stages and venues will be filled with a **mix of humour, music and political content**. We want to create a dynamic atmosphere and a lasting impression. Joy and celebration will fill Frankfurt on that day, and the concept of 'Europe' and the idea 'Pulse of Europe' with meaning and emotion.

Wanted: humour, music and political content for Pulse of Europe's XXL-Sunday, June 10th 2018

We would love for your music and power to contribute to the stage in Frankfurt!

If you are interested, please immediately contact Jens Zukunft at cjzukunft@gmail.com (phone: +49-(0)162 2954912) to discuss options and ideas.

Outline and advice for the event

- ✓ The first part of the event will be video-linked from Paulskirche to Römerberg, so on Römerberg this is a full-day event.
- ✓ The lineup on Römerberg is meant to be diverse and heterogenous, with common citizens, stars and dignitaries taking part.
- ✓ According to Pulse of Europe's principles, no specific political parties and no election campaigns should be supported on stage.
- ✓ The event should be political in principle, but to loosen people up, emotionally indulge and bring together, non-political contributions, among them music, should be included.
- ✓ All contributions shall be free of charge; however, we can issue donation receipts and reimburse on incurred cost (travel, accommodation etc.), please approach us.

About Pulse of Europe <https://pulseofeurope.eu/>

We are a grassroots movement without any attachments to any political parties, stakeholders, or confession. We embrace diversity – the European idea can be put into practice in many ways. We raise awareness for these many ways, fostering discussion and understanding about different views and approaches.

Pulse of Europe is an independent, not-for-profit association, funded solely by donations. Notably, we are not supported by any European, or any other, political institution or organisation. Since 2016, citizens from all walks of life form Pulse of Europe in order to support democracy and solidarity in Europe - in the face of Trump, Brexit, and a prevalent swing to the right as, most recently, in Italy.

We are convinced that most people do indeed believe in the European idea, that they are unwilling to sacrifice it for nationalistic and protectionist tendencies. Pulse of Europe opposes juggernaut, destructive politics. We believe the European Union can be advanced, overhauled and reformed. We take the discussion on how to do that out into the open, into the public sphere meeting every first Sunday of the month in many European cities.
